

AdvantEDGE

AdvantEDGE Planning allows the user to keep track of all the planning applications dealt with by the Council. It is specifically designed to mimic the process that Local Councils use for planning applications.

Day to Day Planning

- Stores details of all planning applications
- Allows entry of comments and decision notices
- Records details of appeals and amendments
- Referencing by application number, District Council Reference and other user defined references
- Flexible reports - applications to be commented on, decisions reported, individual plan details
- District Council Return produced
- Extensive searching capabilities including case sensitive and partial match searches and searches for words within the text of the application, comment, decision or appeal
- Spellchecks your applications and comments (if required)
- Create your own letters for mailmerge
- Upload to web site
- Links to Google maps to enable application location to be seen on a map
- Weblink to the District/County plan details online

Planning History

- Retrieval and searching is very flexible and available by various means including user defined categories, such as Grid Reference, Street, Comment Type etc.
- Record and retrieve applications within a particular ward
- Plans can be categorised according to your own categories, e.g. as a Listed Building application.
- Record Comment type (e.g. No Objections) and Decision Type (e.g. Refused)
- All documents and reports are easily exported to PDF/Word/Excel or emailed directly to recipient
- Best Value statistical analysis report

AdvantEDGE

Online Hosting (Cloud Computing) means that the software and data are held on a remote server in the cloud. **This enables access from any Windows, Apple and Android device with an internet connection.** You are always running the latest version of the software and EDGE automatically backs up your data daily at no extra cost. Also, you can optionally retrieve and store a local copy by FTP download. **Support** is included in the prices quoted.

No Capital Expenditure. Payment for the use of **AdvantEDGE** is via a leased term contract (Monthly, 1, 3 or 5 years). The pricing is for one concurrent, trained user (i.e. more than one person can use the system, but only one at a time). Additional concurrent users are charged from £108 per annum and are able to use all AvantEDGE modules subscribed to. There is no maximum number of users.

We can offer onsite or telephone training by the hour which is particularly useful for getting you started, for new members of staff and refresher training.

The software **pricing** is banded by use (e.g. total income, number of allotments etc.) and full details are available upon request.

Price for the optional web portals and Apps is an additional 20% of the annual fee.
